  Simone Mori, President of Elettricità Futura*

- Opportunities and barriers for RES in Italy: the case of the wind sector
  Simone Togni, President, Italian Wind Energy Association (ANEV)

- Powering Italian households with renewable energy and the role of prosumers
  Luigi Ferraris, Chief Executive Officer and General Manager, Transmission System Operator Terna, Rome*

- Energy and Environment: Technological challenges for the future energy system of Italy
  Gian Piero Celata, Head of Energy Technologies Department at the National Agency for New Technologies, Energy and Sustainable Economic Development (ENEA)

11.45 – 12.00: Coffee break

12.00 – 12.45: Discussion: Shape and Fund the renewable energy transition in Italy

Chair: Jan Geiss, Secretary General, EUFores

Input speech
- The just transition towards a low carbon economy: costs and opportunities
  Clara Poletti, Commissioner at the Italian Regulatory Authority for Energy, Networks and the Environment (ARERA)

Experts panel
- Catia Bastioli, economist and statistician, member of the Club of Rome*
- Stefano Laporte, President of the Italian National Institute for Environmental Protection and Research (ISPRA)*
- Chiara Braga, Member of the Chamber of Deputies*
- Simona Bonafé, Member of the European Parliament*
- Antonio Navarra, President of the Euro-Mediterranean Centre on Climate Change
- Patty L’Abbate, Member of the Senate of the Republic of Italy

Questions & Answers
12.45-14.00: Lunch Reception

14.00 – 16.00: EU Energy Efficiency Policy Implementation in Italy
This session discusses success stories on implementing energy efficiency policies in Italy and good practices for boosting investments in the field. Held as part of the Energy Efficiency Watch 4 project, the session aims at exploring the conditions and argumentative drivers for effective efficiency policies. Preliminary feedback received from business stakeholders in the project will form part of the discussion.

Chair: Jan Geiss, Secretary General, EUFores

14.00 - 14.05: Introduction
Daniel Becker, Director, Navigant

14.05 - 14.45: Input presentations

• An EU perspective on how to get Member States on board for ambitious energy efficiency policies
  Claudia Canevari, Energy Efficiency: Policy and Financing, DG Energy, European Commission

• The story around energy efficiency: how to make energy efficiency attractive for stakeholders and society
  Gianni Girotto, Member of the Senate of the Republic of Italy

• Best practices: If energy efficiency makes business sense, why do some invest, and others don’t?
  Dario Di Santo, Director of the Italian Federation for Energy Efficiency, FIRE

14.45 - 15:00: Coffee break

15.00 - 15.45: Open discussion on enabling factors and barriers for implementing energy efficiency in Italy

Chair: Jan Geiss, Secretary General, EUFores
Moderator: Daniel Becker, Director, NAVIGANT

• Chiara Braga, Member of the Chamber of Deputies
• Gianni Girotto, Member of the Senate of the Republic of Italy
• Claudia Canevari, Energy Efficiency: Policy and Financing, DG Energy, European Commission
• Monica Frassoni, President, European Alliance to Save Energy
• Anna Moreno, CEO, iBIMi
• Dario Di Santo, Director, FIRE

15.45 - 16.00 Closing Remarks
Daniel Becker, Director, NAVIGANT
