Consortium led by India Power Corporation wins bid to build solar power plant

Albania | November 13, 2018 | Comments: 0 | Author: Vladimir Spasić

The Albanian Energy and Infrastructure Ministry has selected a consortium led by India Power Corporation to build the country's first solar power plant with an installed capacity of 100 MW, in an investment worth EUR 70 million.

The members of the consortium, which was awarded the contract, are HEP, CEPI, CEPS, CGG and CSP.\[...\]
