National Parliamentary Workshops

Keep-on-track!

Who?

Intelligent-Energy-Europe project

Consortium of 16 partners (EUFORES, scientific institutes, national renewable energy associations)

What?

Monitoring the progress towards reaching the 2020 targets and ensuring the outlined trajectory

How?

- providing a platform for discussion and dialogue among different market actors
- close-to-market monitoring of the fulfillment of the RES trajectory for all 28 MS
- early warnings in case a MS is lagging behind its trajectory
- suggesting solutions on how to keep on track and avoid possible delays
